What is the examination calendar?

The examination of the Department of Business Economics is been set by the University of Delhi. The tentative dates are expected to change a to few days depending on the circumstances but they are asked usually the same. You can check further information on the official University of Delhi.

Is there any other kind of fees to be paid over regular tuition fees?

Yes. There is a student body fund to be paid to be eligible for placement opportunities and year-long activities organised by the department. It is not mandatory for all and it is paid in the beginning of each year. Apart from academics; placements, co curricular activities are driven by student body.

How are the academics is set as people from the various background are coming under one roof?

Students come from different backgrounds. This is why we have a revised course structure where from the beginning of the course, basic knowledge is been provided. Initially, the students are prepared in the depth of all the subjects, like accounts, economics, statistics, and marketing. Later as the course advances the course is the depth of the subject is increased and more as the student chooses his elective subject.
